The gully opposite the Institute is blocked and needs reporting as this is flow from the Illy Willy 7.5T signs – a photographic survey of the entry points into the 7.5T zone is to be done before the next meeting to establish what signs, if any exist.

The Chelmorton village sign is coming adrift and council agreed for it to be removed and cleaned and re-fixed in the existing frame.

Abandoned vehicles - no further response from DCC

### 408 Reports from Village Organisations –

Village Institute – 4 tenders for the electric fitting for the heating resulted in one response. One wall needs pebble dashing to waterproof but the remainder is now sound.
