547 Footpaths and Highways and related issues

Clerk to report: - The footpath fence infringement is being investigated by RoW at DCC. Councillors to ask residents with bushes growing onto the pavement to cut back. It was noted that the crossroads vegetation needs a longer area cut back as the slope makes visibility difficult – 50 yards rather than 30yds. White lines are required at the junction of Church Lane and Main street as locals have differing views on who has priority at this junction.

548 Reports from Village Organisations

Village Institute – repairs to the flat roof are complete.

Trust – two requests for assistance have been met.

Festival – funds raised allowed for a £1000 to the Church, £1000 to the Institute and £600 to the Trust leaving a balance to forward for next year.

549 Report of the Clerk on: -

1.1 Village Assets/Website/Allotments: Pound and troughs to be cleared again once the leaves are down.

Website – gaining control of the village domain is still being looked into.

Allotments – a query regarding a water supply met with little enthusiasm as the costs are prohibitive – Severn Trent require several hundred pounds just to survey the site before meters etc.
